

Commercial Facilities & Logistics

CFL would like to take this opportunity to wish everyone a happy and successful 2002.

We would also like to take this opportunity to remind you of the benefits of the products and services on offer from CFL.

CFL began life in the 70's as a print distributor, growing in size and product range ever since, we are now heavily involved in supplying all types of printed products and additional office related services.

These services include secure storage on our premises, next day delivery of these stock items, mailings - big or small, data capture and any other essential office chore. If your requirement's not listed ask the question and we will do our best to have the answer.

In terms of print we are now supplying every level of requirement, be it simple letterheads or business cards to four colour brochures, corporate clothing or promotional items. We deal with trade only printers who have the means to cater for your every requirement.

Interesting Direct Mail from CFL

CFL offer a number of Direct Mail services that are of interest to a wide variation of business's. Direct Mail enables you to have your mail personalised and despatched in high numbers to a chosen mailing list.

CFL have facilities to print your letter onto your letterhead or to source the printing of any leaflets or products to include in the mailing.

PERSONALISED

These letters can be individually personalised to the contact and inserted into an envelope along with any other goods to be despatched.

Enveloping can be performed by human hand or by high-speed machine, depending on the type of mailing you require. Mail can be packaged into any size envelope or where appropriate a suitable box or self seal card wrapping.

MAILING

CFL also have mail sorting facilities to offer maximum efficiency in posting - Mailsort/Presstream.

Larger items can also be despatched by courier for next day delivery.

RETURNS

Any undelivered items are returned directly to **CFL** whether sent by post or courier. This information can then be used to update your mailing list and ensure that all mail gets to the intended recipient.
