

Commercial Facilities & Logistics

Totally Satisfying Printed Products

CFL have developed many close relationships with trade sources over the last 30 years.

CFL pass on these advantages to their customers supplying quality and efficiency. We keep up to date with advances in technology and new products. We constantly review our suppliers and add new contacts ensuring that the services we offer are the best you can find.

EXPERIENCE

Experience offers many different things and **CFL** are no exception. We advise you as to the product that will suit your needs in quality and efficiency. By introducing innovative ideas to your print, improve; security, in-house efficiency and be user friendly to customers, something you must consider in today's business environment. The possibilities are endless.

STORAGE and DESPATCH

Your product delivered direct to you or to other addresses. Take advantage of **CFL's** logistics facility? Let **CFL** hold stocks for you and despatch as and when needed. Set reorder levels so that you never go short. Regular stock reports would let you see your stock levels and reorder when you are ready.

Please advise all your colleagues that we offer **FREE** consultation to achieve your goals.

Xmas is Coming

It's not too soon to start thinking about personalised Christmas cards for office or home. **CFL** can provide cards to match your exact requirements. Look out for more information or contact **CFL** direct.
